PARENTAL CONSENT FORM FOR CTC CYCLING ACTIVITIES

All participants under 18 must have a signed CTC parental consent form. The only exemption is where a young person having reached the age of 16 can prove that they are no longer living with parents or guardian and is de-facto living as an independent adult. This will be proven by the supply of evidence such as a rent book or utility bill with the person's current address in their name or a National Union of Students membership card.

Events set up specifically for children do not usually have any specific age requirements, please clarify with your organiser or see details overleaf.

The minimum age for unaccompanied children is 13 on open-age CTC rides and events. There is no lower age limit if accompanied by a responsible adult acting *in loco parentis*, but a parental consent form is still needed. Children aged from 13 to 17 may participate unaccompanied in open age activities if they have parental permission to take part in an open activity but parents must understand while CTC extends a welcome to cyclists of all ages and abilities there may be no special provision for children on the activity.

Parents/ guardians must be aware of the demands of any activity, and that they alone make the decision about the ability of the child to complete the activity. They must be aware of the likelihood of the child riding alone, or with company and the arrangements for this to happen. Arrangements to get to and from the ride are wholly the responsibility of the parent/ guardian.

CTC, its members, agents and other participants may take photographs during the course of the event, mostly for private use but some may be for local or national publicity purposes. If you do not want photographs of your child used in any publications please indicate below.

I hereby consent for the child named overleaf to participate in the activity listed overleaf and fully understand the conditions of the above activity.
