Answered in that operating an "Audax calendar" brings money into the club. The rides are run as "Audax" rides, but under the banner of Cheltenham CTC. Any monies raised are held by the club, and not by the Audax Coordinator or Audax UK.

## 7 Any Other Business

### 7.1 Survey Results

7.1.1 Following the survey of all members via email, Facebook and WhatsApp Groups the results were as follows:

7.1.2 47 responses in total

7.1.3 2/3rds of members seem content with the status quo, in terms of rides, variety, length etc

7.1.4 Requests included:

7.1.4.1 *shorter rides for learner group riders*

7.1.4.2 *more social events (but no real positive suggestions)*

7.1.4.3 *family rides*

7.1.5 Out of the discussion it was agreed that a group of members (including James Nunnerley & Lester Evans) would look at the feasibility of operating 3 trial rides over the summer, on a Sunday morning, suitable for riders who wanted a shorter/slower ride; these would likely include spouses of members
