

Secretary's Report

It's been a busy year for everyone, and whilst the club still seems to function, I do worry about the future of the club.

We're seeing a steady stream of new members come through, and this hopefully will be shown in the ride numbers, as they start to come in over the coming months.

The regularity of Newsletters and website updates has been a bit sporadic, mainly down to personal time constraints (moving house, family etc), but hopefully the ones that have been sent have been useful and well read. As ever, if anyone has any content they'd like to be included in the newsletter or on the website, then please let me know.

Thank you to Taylor James for his support keeping on top of the technical parts of the website.

We will be finally looking at updating the way rides are managed on the website in the coming months, something which I've been looking at doing for a long time.

As a club, we need to make sure we're encompassing everyone, and whilst WhatsApp groups are great, there are members and future members who aren't on the those groups.

Finally, we're going to see quite a few changes on the committee after the AGM. Hopefully, we'll fill all the positions, and unless we can get some new volunteers on the committee, I am worried that it will fall on the few to support the many. Please, if you can, put some time aside to help out.

James Nunnerley
