

Social Secretary's Report

After two years of COVID this last year we were finally able to organise social events both indoors and out. A big thank you to Geoff Bailey and Kat for hosting the ever popular Summer BBQ and the efforts made on food preparation, it really does make for a great event and this year was one of the best. Geoff also assisted by booking the facilities at Cheltenham Cricket Club for our occasional skittles grudge match against Cheltenham and County. This year we lost again though largely due to our loan of Jon Smith and Gerry Mears to make their numbers up, they were the second and third highest scorers! This past year also saw the welcome return of the Curry night at Cheltenham Motor Club. After nine years I'm standing down as Social Secretary though I will be available to advise and help out the new incumbent if needed. For various reasons the anniversary lunch didn't happen this year, some consideration might be given to changing this event in light of the ending of certain awards with a view to re-invigorating interest.

Richard James
