

Cheltenham CTC AGM

Secretary Report

2023/24 has seen lots going on, which maybe hasn't been completely covered in the newsletters, but it's good to see lots of activity still in the Facebook Group.

Sadly, the website has had to go into maintenance mode - a what should have been routine update, broke the main content handling - it is currently being rebuilt.

The big addition this year has been that of bringing all the WhatsApp groups into 1 place. From all the feedback received, there have been very few negative comments.

If you have any suggestions for improvements, content or features for the newsletter, facebook pages, website or the WhatsApp group, then please do let me know.

James Nunnerley
Secretary
