

Cheltenham CTC AGM 2026

Social Secretary Report

I am pleased to provide an update on our social activities, reflecting the successes and progress we have achieved together over the past year.

1. Summer BBQ

Our annual Summer BBQ was held last year and proved to be a fantastic event, enjoyed by all who attended. I would like to extend our deepest gratitude to Kate and Andy Buxton for hosting the event. The good weather helped the bar sales, we generated a profit of £219 which was donated to Sue Ryder.

2. Christmas Skittles Event

The Christmas Skittles evening at the Cricket Club was another highlight of our calendar. Changing the format to games of 'Killer' rather than a team competition worked well, being far more inclusive and engaging for all participants.

3. The pre Christmas informal meet up at Tewkesbury Wetherspoon again provide to be popular and successful.

4. The Walking and Talking group has enjoyed some great walks over the year. This group meets on alternate Wednesdays and has been steadily growing in popularity. It provides an excellent opportunity for members to connect, enjoy the outdoors, and engage in conversations beyond cycling.

Thank you all for your continued support and participation in our club's social activities. Together, we are building a vibrant and inclusive community that enhances the overall experience for our members.
